Qualitative Feedback

What were the good points?	**What could be improved?**
Mr Perry's talks are always interesting.	This should not take up a valuable teaching slots. Please email updates instead. Alternatively take a 30min slots every 4 months.
N/A	N/A
Good update	An email update and a proper session on stats would have been preferable
Good points and ideas	The stats section for the FRCS could have been improved
Good	Nil
Stats definitions for FRCS useful	I'd be happier meeting ORIGIN somewhere more informal
Good presentation	N/A
Mr Perry's update worth it and good to hear briefly from ORIGIN	Could have EASILY been 30 to 45 mins at the start of a different teaching session Unfortunatly a waste of a teaching slot for the content.
Great discussion	Nil
Overall good presentations	N/A
Inspirational talks	Nil
This was one of the best lectures on how to get involved with higher quality research	Nothing
N/A	N/a
Good to learn about ORIGIN	Good session
Viva questions	Nothing
