cancelled due to Covid 19

Booked course on post on call day therefore did not fill in study leave form as did not require study leave

Cancelled before I could apply for leave. But booked. Full refund offered by BOA

I was running this course and had study leave approved

I had paid for the course and now it will be postponed until after my CCT. Will I get funding from the Deanery?

I will be funded for this course as it has been cancelled.
