Best teaching session so far.
Everything! One of the best sessions so far. Fantastic. Thank you.
Good knowledge
Good summary and revision of basic concepts

Good session covering important principles. Well organised.
Mr Atkinson's talks was very useful
Nice clear methodical explanation of the presentors approach to knee arthroplasty
Basic principles and examples
Excellent overview
Excellent talk on balancing the knee and ligament releases
Lots of pictures. Good explanation of a technically complex subject.
Good overview by Mr Bodansky
Excellent talks by Mr Atkinson. really wish I'd had that in ST3!
Good patients

Good grounding in basics of balancing TKR

Great session. Felt Mr Atkinson made it easy to understand.
Good presentation by Mr Bodansky
Excellent
Good basics review
Great presentation and made easy to understand the principles of Total Knee Replacement.
Clinical cases session was quite useful
Thank you Mr Atkinson for the great teaching and clear explanation!
3 clinical cases were very useful to practice examination.
Excellent talk on basic principles of TKR
Really good teaching on the basics of TKRs
The cases and feedback were excellent. Thank you
Excellent way explaining basics of knee replacement in a logical and stepwise approach.
Pitched at right level for ST3
Good presentation flow and length.
Good to have clinical cases

What could be improved

Nothing

Nil

Some repetition of cases

None

Little more variation in patients

Biscuits at coffee break

Perhaps more patients maybe for junior trainees to perform examinations on

Can we have a copy of the presentation please

N/A

N/A

Nil

Nil. Nicely done session.

Nothing

Maybe some intraoperative videos

-

Nothing

Some more info on complications and failures

Nil

nothing, more the same please

CR/CS
Measured resection v gap balancing

Not much

Approaches could have been better

Nothing really . Enjoyed all 3 hours of session

Nil

Nothing

Nothing

Can we have a copy of the presentation please

Nil
