Qualitative Feedback

What were the good points?

Excellent mix of cases. Well organised
 good case mix
 well organised
 good strict timing of short cases
 It was exciting to examine a variety of candidates on interesting patients
 Patients mixed pathology
 Well organised with good collection of cases. Just what I needed before the exams!
 Variety of cases
 Good setup. Ran smoothly. Good patients.
 Good clinical cases
 Excellent clinical cases with wide ranging pathologies-
 Examiners very in tune with FRCS standards and expectations
 Great session
 Lots of practise
 Good cases
 Well run
 Good feedback.
 Good range of cases.
 Excellent
 Great mix of patients
 Well organised
 Good selection of cases.
 Excellent mix of cases and well timed
 Good variety of clinical cases
 Good cases were shown. Exam oriented and received feedback from the examiners
 Clinicals all good
 Cases
 Excellent patients and cases
 Great to see what the exam will be like
 Excellent
 Very well organised. Interesting cases.
 Great mix of patients
 Excellent
 Very well organised.
 Great cases
 great effort from organiser
 excellent teaching session
 Well organised

What could be improved?

Nil
 would be nice to have some paed cases if possible
 Nil
 Nil
 nil
 Nothing
 Maybe build in an extra minute per station for more feedback time
 Some spaces a bit cramped
 Should happen every year
 Nothing
 Felt quite rushed.
 Might benefit from less stations and more time for feedback to get full benefit.
 Non
 Nothing
 Could have had some longer cases or some viva stations.
 X-rays were difficult to interpret in some cases with small image on paper
 Nil
 Need frequent sessions like these
 All good
 Cases
 Nil great session
 N/a
 More clinical and viva stations
 NA
 Would be good to have some paediatric cases if possible
 None
 N/a
 Nothing
 Spine cases
