Qualitative Feedback

What were the good points?

Great teaching format
Great talk as always. Good histology
Plenty of cases
Fabulous as always
Another excellent tumour lecture from Mr Cool.
Knowledge and presentation style
Really useful topic and great to go through cases.
excellent more of the same please
Great case examples
Best session of the year. Mr cool is a fantastic teacher.
Please can this session be a yearly occurrence! Very useful

Good revision of tumours.

Excellent overview of tumours and easy to understand.
great session
Good examples
Good discussion on x rays. Interactive session
Excellent session
Topic well covered with excellent use of cases
Clear presentation, excellent slides
Comprehensive teaching on benign and malignant tumours
Interactive session and exam oriented
Everything. Fantastic session. Would be good to have more of the tumor stuff in more sessions.
Interactive

What could be improved?

Lecture theatre a little too small
Location
Better venue
Nope
-
Nil
Nil.
need a different venue next time
N/a

Nothing brilliant session as always

Please email in advance about venue. Difficult to locate the site and to enter in it and no tea. But teaching from expert was great.
Better information about location prior to the session.
nothing
More on management
Could have done with more time of learning
The venue
Better venue
Some info on soft tissue tumours too
N/A
.
Information on location of teaching
None

If you would like further information please email the 58 society webmaster - David Hawkes (daveh_11@yahoo.co.uk) or Mohammed As-Sultany (msultany@doctors.org.uk)
